POST POUNDER

And Fence Post Puller - All In One!

FENCE POST PULLER

Demo old fence with ease with this state-of-the-art skid steer post puller attachment. From 1" in diameter posts to railroad ties, this puller can handle it. Great for small trees, branches and bushes too!

- Doesn't break or shred wood posts.
- Prevents bending of metal posts during removal.
- One man operation.

POUNDER/PULLER COMBO

Add the pounding hammer to the puller and you have a combined unit that does both. Tear out and build fence with the same attachment!

- One man operation for improved safety.
- Never touch a post by hand.
- Recommended minimum lift capacity of skid steer - 1500 lbs.
